Nutcracker Marionettes

CENTER SCHOOL ART CLASS

The display window at the entrance of Center School is filled this week with an enchanting array of 50 marionettes and puppets illustrating the characters of Tchaikovsky's Nutcracker ballet suite. The sugar-plum fairies, toy soldiers, ballerinas are exhibited against a background of velvet drapes and antique musical instruments. The King Mouse and his army are engaged in a chess game and the toys are popping out of the tea service. All marionettes are constructed by third grade art students of Luice McCormack. Do come and view this unique effort on school days until December 21!

Colonial Decorating

The Mattapoisett Historical Society urges town residents to continue the tradition of decorating in the colonial manner with the use of natural greens and materials during this Christmas season.

FAIRHAVEN UNITARIAN CHURCH

The Creative Arts Council of the Fairhaven Unitarian Memorial Church will present the Choir and guest soloists for the annual Christmas Concert on Sunday evening, December 18th, at 7:30 P.M. A delightful program of carols, instrumental music and readings will be given under the direction of Herbert H. Bowker, organist and choir director. The featured guest soloist will be Ruth Trexler, gifted violoncellist of Fall River. Miss Trexler has studied with eminent teachers both here and abroad, and has had many successful concert appearances. She will play from the works of Vivaldi on the evening's program. Beatrice Braun, pianist and teacher of New Bedford, will be heard with Mr. Bowker in duets by Bach and Yon for piano and organ; and Henry B. McGowan, tenor soloist of the Church, will sing. Selectmen's Meeting

GOALS OF COASTAL ZONE

Mattapoisett Selectmen expressed agreement with the goals of the Coastal Zone planners although with some reservation. Chairman R. William Blasdale said that, while he endorses the concept, he would like to see what regulations will enforce it. Selectman John DeCosta said that his main concern was that the town retain local control of its coastline and not be overridden by State and Federal edicts. Both Selectmen expressed misgivings over the fact that there is no link at present provided to give local officials a direct voice should some incident

"I'm only 35. Why should I think about retirement?"

Simple.

Investing in a retirement account not only saves you a lot of worry later, it saves you a lot of money right now. Here's how.

If you're not a qualified member of a pension plan, enroll in an IRA. You can deduct the annual contribution from your income for federal tax purposes. Up to 15% or $1500 of your earnings. $1750 if you open a joint account with your non-working spouse.

If you're the owner of a small business, our Keogh Plan makes the most sense, allowing you to deduct up to $7500 annually.

The interest earned on IRA and the Keogh Plan is not taxed by either the state or the IRS until you retire.

Come in and talk with us. Either at the new Dartmouth Banking Center or at any office of Fairhaven Savings.

Because the best time to think about retirement is when you're young enough to do something about it.

"A MAN'S VIEW ON GLORIA STEVENS"

The Bigelow Family

Dear Gloria Stevens:

As a concerned husband, I am very pleased at the results that have been afforded my wife Jean in the Gloria Stevens exercise program of which she has enjoyed for the past two years.

As a veteran long distance runner of 20 years, and a cross country coach, I have found that exercising is of great importance for young and old.

After attending a men's night at Gloria Stevens in Wareham, I found it is a very beneficial program, in that it firms up lax muscles, stimulates circulation, etc. In general — great for getting in shape or staying in shape.

My son Michael participates in a similar program at school involving push-ups, set-ups, etc. such as some of the Gloria Stevens program.

Again, thank you Gloria Stevens, for your concern and efforts in maintaining a well balanced diet and exercise program for my wife Jean and others, and the friendly atmosphere provided by the staff.

occur where town interest would be usurped. Ralph Eustis, Priscilla Hathaway and Charles Reimer who have represented the town during the preparation of the Coastal Zone Management Plan were in agreement while optimistic about local input in the initial stages. They said that the plan offers a method of controlling and developing growth in an orderly way while still providing for economic growth along the coast without environmental damage. They said that local participation in the meetings has been good and a strong case has been made for local control. They did admit that the link between local government and the State and Federal is not provided but said that they have had good communication in the state agency to date. Eustis said that the Federal Government will provide funds for study purposes within the framework of the management plan. This to assist in a technical solution to problems that will appear. Selectman DeCcosta asked if there will be more federal control and necessity for permits as time goes on. Mr. Eustis replied, "not anymore than now".

The Selectmen asked Eustis to draft a letter to the Assistant Director of the Office

COMPLAINT ABOUT FIRE ALARM

Mr. Joseph Harrison and Fire Chief Paul Bradley appeared to discuss an alarm called by a neighbor of Harrison who telephoned to report smoke issuing from a building on Harrison's property. The Fire Department responded to find that the smoke was coming out of a chimney to which a stove is connected and which has been used for years. Harrison said that his incident is one of a

long string of harrassments. The Selectmen and Chief Bradley expressed the most serious view of the incident because of the expense and danger involved in any false alarm and the possible danger to others in town left with delayed protection because the Fire Department is called out needlessly. The Selectmen will notify the woman who phoned the alarm of the gravity of her offense.

URION RESIGNS

Robert H. Urion submitted his resignation from the Mattapoisett Finance Committee because of compelling personal reasons. He has served on the committee since 1975. The Board of Selectmen accepted the resignation with the deepest regret. The Selectmen will make an appointment to fill the vacancy very shortly. Anyone interested in serving is asked to contact the Selectmen's office by telephone or by mail as soon as possible. The appointment will be soon so that the full committee can be involved in budget matters.

BARLOW CEMETERY

Selectmen received a letter from Mrs. Pamela Single of the Mattapoisett Historical Society which suggested that the proper agency to take over the Barlow Cemetery is the Historical Commission. The Selectmen will contact that body regarding the broken gravestones at Barlow Cemetery.

property, intercede to protect their property from unsightly exposure to equipment and junk behind the barn. Mr. Rocha said that his parents are concerned that tree removal now proceeding will leave them with an unsightly outlook which will reduce their property value. Rocha said that he has spoken to Mr. Manuel Nunes, highway surveyor, but feels that the Board of Selectmen is the proper agency to assure his parents that the town will protect their property because they are in charge of town property.

Chairman Blasdale said that the Board of Selectmen is not clear on this concept since the matter had never before arisen. He said that Mr. Nunes is an independently elected town official and in charge of the barn and equipment. He explained that he was not clear whether that responsibility includes the town barn property or not and the Board of Selectmen would have to seek an opinion from Town Counsel. Rocha said that he believes that the town has a responsibility to protect the homeowner. He said that a public hearing should have been held just as is required when private business want to do something potentially detrimental to a neighborhood. If not, he stated, the town sets a poor example. Mr. Rochette asked for speed in the decision. He said the noise had been terrific all week as the trees were stripped between the barn and his property line. He feared that none would be left by the time the Selectmen decided whether they

As a builder he said it was his practice to go to neighbors with plans and intention and explain what he is building and show how it will appear completed. They at least know then what is going on, he said, and very seldom are not reasonable since their fears have

Fairhaven's Artist-in-Residence, Carl Lopes, in affiliation with the Recreation Commission, developed and supervised "The Children's Mural" art project to give the children of Fairhaven an opportunity to become interested in art by personally experiencing the freedom of creative expression.

The children were not told WHAT they should create. They were allowed to create out of their own imaginations, free of any outside (adult) influences. For many of the 120 boys and girls involved in the 3-week project it was the first time they had ever been given this opportunity of free expression.

The participants, who ranged in age from 3 to 12 years old, were instructed in the various methods of mixing colors, color combinations, brush uses, and how to apply paint as well as the proper care needed to keep art supplies in good working order.

DUFF PLUMBING ANNOUNCES

We have added another truck to our fleet expressly for the Marion, Wareham & Rochester area residents. We have had such an increase in calls that **we have decided to install a direct, toll-free "'Hot Line"** for these customers. We have **our plumber, Chet, who is a local resident** and knows the area well. He will have a well-stocked supply of plumbing needs right at hand.

Are you disappointed to find yourself waiting two days for a plumber, then have him arrive with a helper to carry the tool box, and receive a bill for two men? We pride ourselves on sending one man on service calls.

We take good care of our old customers; it is new customers we are looking for.

Marion Art Center

RENT A PAINTING FOR THE WINTER!

The art lending service at the Marion Art Center makes it possible to brighten up your home for the holiday season and the dreary days of February. With more than sixty original works of art to choose from, there is something for everyone - landscapes, florals, abstracts, collages and prints.

The rental collection was begun about fourteen years ago and has grown and changed over this time period. Artists from Boston, Cape Cod and Rhode Island as well as many local painters contribute their work to the rental gallery. The fees are minimal for two months at a time. The rental fee is applicable to the purchase price should you decide to keep it permanently.

If there is a blank wall or a boring print from grandmother's house in your home, take advantage of this unique service. The art lending service is available during regular gallery hours at the Center: 1 to 5 P.M. (except Mondays). Gift certificates are also provided for an unusual gift suggestion.

Council on Aging

Our two Minibus trips to Edaville proved very delightful. Our Seniors enjoyed the display of hundreds of Christmas lights at a time when Edaville was not too crowded. Thirty-one took the big bus trip to the South Shore Plaza in Braintree and returned in time to miss most of the snow that plagued the commuters that Tuesday afternoon.

We hope that you all have cut out our ad in Presto Press' November 30 edition and are keeping it handy as a reminder to make reservations for any trip that you wish to go on for the rest of the month. Please remember to call at or phone the Town Hall and ask for the Coun-

cil on Aging on Monday or Thursday between 10:00 A.M. and 12:00 Noon.

Our attention has been called to the number of "no-shows" at the Senior Food Nutritior Program on Depot Street. Those of you who attend are careful to make reservations. Are you as careful to notify Mrs. Santos when it is necessary to cancel a reservation? Cancellations should be called in the day before; however, if the unexpected happens and you are unable to attend the luncheon call in anyway that morning. Possibly someone else failed to make a reservation and can be notified in time. Otherwise the food is wasted.

BRIDGE WINNERS

The winners of the Mattapoisett Duplicate Bridge Group for Tuesday, December 6th, were: North-South, Mrs. Gladys Hall and Mrs. Doris Greenwood, first; Mrs. Constance Gilbert and Mrs. Seena Michelson, second; East-West direction, Mrs. Janice Morris and Mrs. Irene Helden, first; Mrs. Leona Rosenberg and Mrs. Edith Lipman, second. The next meeting will be Tuesday, January 3rd, at 9:45 A.M.

the Boston Conservatory of Music. In order that all students could benefit from this dance lecture presentation five separate performances were held during the past two weeks in the two schools. These were narrated superbly by "Tennessee" Tracey Cortese of the local Theater Arts Project. The students viewed this dance lecture workshop with rapt attention. We are grateful to the Theater Art Project of Mattapoisett for their generosity in bringing the performing arts to our students since exposure to the performing arts is not readily available through the regular school curriculum.

Human Services

"These workshops are a chance to share plans and skills with others as well as final support of your own" was one comment typical of the consensus shared by participants in a Life/Work Planning series concluded recently at the Marion Center for Human Services, 335 Wareham Road, Marion. "It helped me identify what I wanted to accomplish" was observed by another enthusiast of the five week workshop program. "I gained confidence and enjoyed meeting with others" ..."I learned something about time management" - were other sentiments expressed relating to the two-hour weekly sessions which are scheduled to begin again next month in a new workshop series.

Directed toward men, women and young people, in any age group, who desire to enrich their personal lives through education or employment channels, the second workshop serie

"SHERLOCK HOLMES" AT SMU

The great detective will stalk his arch enemy, Professor Moriarty, across the stage of the Southeastern Massachusetts University Auditorium on December 16, 17 and 18 as the SMU Theatre Company presents Sir Arthur Conan Doyle's classic mystery, "Sherlock Holmes".

The suspense starts when the curtain goes up at 8 P.M.

In this episode, directed for the theater by Angus Bailey, Holmes is again in pursuit of Professor Moriarty, the brain of London's hoodlum ring. Dr. Watson, Holmes' trusted and loyal friend, will again accompany Holmes on his adventures, although the value of his help is somewhat dubious.

Kelenosy, Chief Laboratory Technician at the Hospital, stresses the continuing need for blood even when a youngster is away from the area. The gift of one pint covers an entire family for one year.

The Tobey Blood Bank, a members of the American Association of Blood Banks, is especially grateful to those who donate during the holiday season, a time of heavy demand for blood in all hospitals.

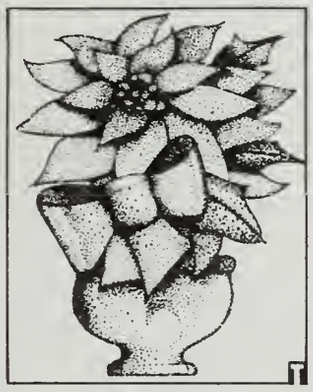
Poinsettia Pointers



This holiday season, as for many Christmases past, more than 25 million poinsettia plants will decorate American homes. Be sure yours has the right amount of light and water. An easy rule of thumb is to place the plant in a room with enough natural light to permit a person with reasonable eyesight to read fine print. Avoid direct sunlight. As for water, poinsettias appreciate quite a bit. When the soil feels dry to the touch, give the plant a drink, but remove excess water afterwards.

Relax and enjoy your poinsettias—one of nature's friendliest, loveliest gifts for Yuletide.
